15 November 2004

Dear Mr. Kadomoto,

On behalf of the Commander, United States Pacific Command, I want to express my sincere appreciation for your outstanding contributions to the 7th Chiefs of Defense Conference held in Tokyo, Japan from 11 – 13 October 2004.

With your superb supervision, your staff produced a great percentage of the graphics required for this conference. This included numerous signs and flyers. Additionally, you assisted my staff in obtaining required binders and index tabs to assemble the conference Information and Presentation books.

You and your staff's contributions to this high profile, theater-wide event were essential to its success. Please convey our gratitude to your entire staff, especially Mrs. Eriko Mimaki and Ms. Yoko Kondo for their invaluable and outstanding assistance.

Sincerely,
